4. [Do you wish to keep your PMP Certification and need PDUs while learning good quality content?](#)
5. [Do you wish to learn about other topics or get other Certifications \(Six Sigma, Agile, etc\)?](#)

To get started in Project Management training

PM FOUNDATION™ provides a comprehensive introduction to the basics of project management *PMBOK® 5th Edition aligned*—its essential terminology, principles, and processes including critical “soft” skills such as interpersonal communication and conflict management.

Set around a real-world video case study, this self-paced course contains interactive modules on the 5 Process Groups in PMI®’s *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)* and covers

Questions that include multiple choice, true or false, drag-and-drop puzzles and scenario-based problems

12 PDUs

Quizzes after each section within a module, a test at the end of each module and a final exam. Questions that include multiple choice, true or false, drag-and-drop puzzles and scenario-based problems

Abundant resources including a course workbook, PM templates

Intuitive design and engaging animation

180 days of course access on tablets and computers

Over 12 hours of high quality content

A video case study that follows multiple characters and viewpoints, involving you in key project management decisions

List Price: 450€
